AGM MEETING:

Please note that the
Annual General Meeting
will be held on 12 February.
Since we are a small club
we need as many members
to attend as possible
for the election of the Committee.

THANK YOU !

About us

F-Stop is not just a club for serious Photographers or people with expensive cameras; it is a club which has been specifically de-signed to help beginners to progress with their photography. Our aim is to bring people together to learn, share and have fun with photography.

If you want to take better pictures, attend Workshops and Rallies, enter your pictures and listen to the Judge's comments then we are the Club for you. We meet once a month on the second Wednesday, at the Church hall in Highveld Street, Kempton Park. We use the entrance in Gardenia road at 18:45pm to start 19:00pm.

This magazine is produced with the results, accumulated points and winning pictures from the previous meeting, as well as articles on different aspects of photography. A website is also available providing valuable information on photography. You can visit our website: www.fstopphoto.co.za

A Beginner photographer starts off as a 1 star and then progresses to a 5 star working on a point system. Photos may be entered in Digital and/or Prints allowing for 3 photos and a Theme in any of the designated categories, Nature, Pictorial, Altered reality, Photo Journalism and Portrait (explained in the magazine). There is no pressure, you can progress at your own pace, and we are all very relaxed at the club.

We would like to take the opportunity to thank you for showing interest in our club by taking our magazine, for you to browse through and we are looking forward to you possibly joining our club.
